

Explore SINCERE MACHINERY

Your success, Our glory

About Us

Sincere Machinery is very involved in selling and servicing our plastic manufacturing machinery in Vietnam and many other markets.

We were very fortunate, that during the last 10 years the market for our products really developed in Vietnam. We have placed 2000 thousands on machines in many factories throughout my country.

We have also assisted many of my clients bidding and receiving contracts from countries abroad.

Sincere Machinery is very proud of the success all of our companies have achieved in Vietnam. Our goal is to place our equipment at our client's factories for competitive prices and have our clients succeed.

We assist our clients with equipment sales and service but also with sales leads and community service.

We make it easy for many of our foreign companies to open and operate businesses in Asian Counties.

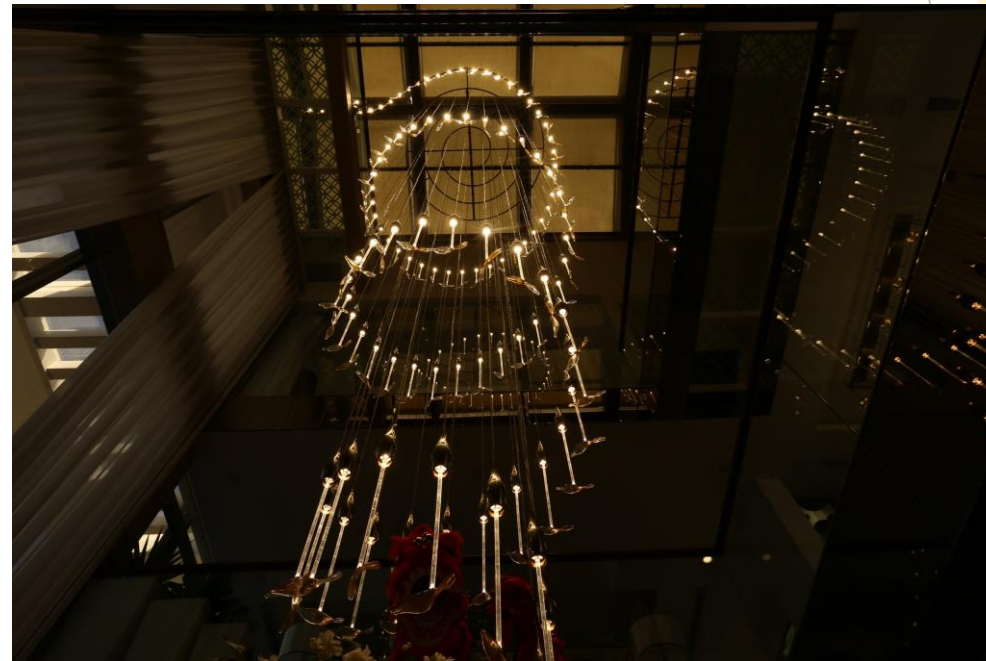

We believe that Your company and Sincere business relationship would benefit and profit every one.

About Us

Sincere Machinery dedicated in technology development. Each Year, **Sincere Machinery** reinvest 5-7% of its sales revenue in R&D. **Sincere Machinery** was recognized as “High-Tech Enterprises” by national ministries. Our patented power transmission system technologies have reached globally-advanced levels. The rate of finished products of bag making machine is 5% to 10% higher than others. And the efficiency of **Sincere Machinery** is 10% to 20% higher than other companies.

Your success, Our glory.

About Us

Your success, Our glory.

Sincere Machines have been sold over 20 countries in Asia, Europe, North and South America, and Africa. **Sincere Machinery** has successfully got into international market and been popular in many countries. Our products are CE certified or UL certified. **Sincere Machinery** has skillful technical team and experienced management team. SYCGP – 300 – 901250F ELS Inline Rotogravure Printing Machine

Specification:
Printing color: 9+0, 8+1, 7+2
Max. Printing speed: 300m/p
Max. web width: 1250mm
Power: 186 KW + 549 KW

SZWF – 500 Solventless Lamination Machine

Solventless Lamination Machine

Specification:
Lamination speed: 500m/p
1st and 2nd Un. Dia: 800mm
Re. Dia: 1000mm
Glue spread: 1.0-3.0g/m²
Width: 1050-1300mm

SKWF-H

Slitter special for paper, Al-plastic laminator

Specification
Speed: 300-450 mpm
Un. Dia.: 800-1000mm
Re. Dia.: 800-1000mm
Width: 1300-1800mm

SJA-1000

Inspection machine

Specification
Speed:400 mpm
Dia.:1000mm
Width:1300mm
Remark: Visual inspection
system reserved

AMD-S-650FSL

FLAT BOTTOM POUCH MAKING MACHINE

High Speed: 120 Cuts/Min

Smart PLC Control

High Pressure: For Heavy Bags

Non-Stop Driving: Twin Film Accumulator

Advanced Design of Machine Body

AMD-S-600HLMSC Three Side Seal, Inserted Bottom Stand Up Pouch, Folded Bottom Stand Up Pouch .

Specifications:

- **Top Speed: 200 Cuts/Min**
- **Pouch Type: Three Side Seal, Inserted Bottom Stand Up Pouch, Folded Bottom Stand Up Pouch**
- **Width: 78-600mm**
- **Length: 50-300mm (Up to 6 Skips)**

PE/PE Laminated Bags

Eight Side Seal Pouch

Options

Nozzle

Coffee Valve

Side Handle Patch

SGD-ABA-55-2W MÁY THỜI MÀNG NHỰA ABA

Thông số kỹ thuật:

- Chiều ngang màng: 500 mm x 2
- Độ dày màng: 0.008 - 0.05 mm
- Chất liệu: HDPE, LDPE
- Sản lượng: 150 kg/ giờ
- Kích thước máy: 5000 x 4200 x 4500 mm

STA-1000IPD-XL-Q

Máy Làm Túi Cuộn Luân Dây Cao Cấp Taiwan

Thông số kỹ thuật:

- Độ dày từng lớp (HD): 0.008 - 0.025 mm
- Độ dày từng lớp (LD): 0.02 - 0.1 mm
- Chất liệu: HDPE, LDPE
- Sản lượng: 320 cái/ phút
- Công suất: 62 kw

SJDSZ-300*2

MÁY LÀM TÚI CUỘN STARSEAL DẬP QUAI / MIỆNG BẰNG TỰ ĐỘNG

Thông số kỹ thuật:

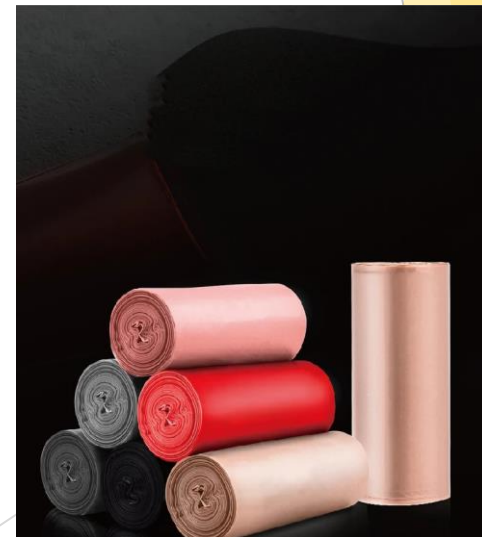

Chiều ngang làm túi: 80-180mm

Chiều dài làm túi : 100-1500mm

Độ dày : 0.006-0.025mm

Tốc độ máy : 60-150 Pcs/Min/Line-Star Seal Flat Bag
40-135 Pcs/Min/Line-Star Seal T-shirt Bag
