My Sweetheart
in love with you

By Quang Huy

15.11.2020 - *First day in love*

I remember the first day I
ever looked into your eyes
and felt my entire world flip.

GROOM

Dear my love

I love you so

I was so happy after meeting you
I was able to love you so much
because you embraced and
understood my young and
immature mind warmly

Me after you - Paul Kim

the impossible
possible

"When we love, we always strive
to become better than we are.
When we strive to become better
than we are, everything around
us becomes better too."

'Cause I'm your lady
And you are my man
Whenever you reach for me
I'll do all that I can

Darlene Schacht

“My first impression for her is her pure look. She didn't wear any make up (lipstick excluded XD). Her natural beauty is the reason i fell in love with her.”

“I love him because he is so simple. He didn't try to impress me but let everything come naturally. Maybe the simpleness is that bonds us together.”
